SIR,

In continuation of this office letter No.P.C.142/29-30 dated 11th March 1930 and with reference to your letter No.2818/Muz.265-29-8 dated 12-6-30 in the matter of grant of scholarships to the Muslim lady candidates for studying at the Zenanah Tibbia College, Delhi, I have the honor to state that out of the provision of Rs 7680/- for scholarships in the current year's budget of the College there will be a savings of Rs 720/- during the year as the fourth year Unani class has not yet been started. To this is debitable a sum of Rs 360/- towards the scholarship of one Mr. Abdul Rasheed who is now studying at the ^{Delhi} Tibbia College as per C.O. No. ⁶⁷⁵⁻⁶ ~~11570-28-2~~ 26-2-1930. Thus a sum of Rs 360/- will be available for being utilised for giving some other scholarship during the year.

As it is very desirable to encourage the study of Unani System of Medicine by Goshia ladies by the grant of suitable scholarship since there is no scope for their being trained here at Mysore and as it has not been possible to include the necessary provision for the purpose in the provisional budget of the College, I request that sanction of Government may kindly be obtained for granting one scholarship of the value of Rs 50/- per mensem to one of the Muslim lady candidates, the cost involved in this behalf being met from the Savings under Scholarships up to Rs 360/- and the remaining amount of Rs 240/- being met from the General savings of the College during the current year and from next year onwards from the provision to be made in the budget for the

SIR,

With reference to your letters o.257/uz.45-30-3 dated 29th July 1930 and 276/uz.45-30-3 dated 4th August 1930 and for certain further information in the letter of grant of a scholarship to a lady candidate for study at the Lenana Tibbia College, Belhi, I have the honor to state that the course in the college extends over a period of five years including practical training for one year. The College opens for work in the first week of August every year.

As regards the source for meeting the extra cost involved on this behalf during the current year, I beg to state that after sanctioning scholarships to the passed candidates of the various classes of the college, it has been found that it would be possible to meet the cost of this scholarship along with that of Mr. Abdul Rasheed from the savings under the allotment for scholarships in the current year's budget. I therefore request that sanction of Government may kindly be accorded for the grant of this scholarship, the cost during the current year being met from the savings on scholarships and from next year onwards from the amount made in the budget for the purpose.

I solicit favour of early sanction of the same.
